Ms. Alma Faye Meeks Lynch,

affectionately known as "Tab", was born on September 20, 1954 to the late Mittie Mae Harper and June Vines in Edgecombe County, NC and departed this life on July 4, 2023. Along with her parents, Alma was preceded in death by her husband, Marvin Lynch.

Alma, or most affectionately and commonly known as "Tab", was reared in Wilson County, North Carolina. She received her formative education from the Wilson County Public School System graduating from Ralph L. Fike High School in 1972. After graduating from high school, she attended Wilson Community College where she earned an associate degree in business administration. Alma did not stop there. She furthered her education and earned a CNA 1 Certificate. She was employed by Wilson Memorial Hospital (now Wilson Medical Center). Alma was a faithful and dependable employee for more than forty years. Her sweet and kind nature was a joy and pleasure to patients and families before her retirement.

Loving and lasting memories are left to be cherished by three sisters, Annie Margaret Williams (husband Eddie), Racheal Harper (friend Larry), and Undra Harper; three brothers, Rodney Harper (Delma), Lamont Batts, (Willie Mae) and Earl Vines (Linda); a host of nieces and nephews, other loving relatives and friends, including a very special niece, Ayianna Jones, and a very special nephew, Raekwon Batts, both of whom she cared for as her own; she had four very good friends, Linda Wiley, Mary Burch, Diane Davis, and Ann Israel.

"Memories of My Sister" by Undra Harper: There are many fond memories of Tab, some we would like to share. One was the names she gave to her nephews. Beggar #1 (Shane), Beggar #2 (Marshea), and Beggar #3 (Budda). She gave them these names because they were always begging for money. The 4th nephew was the opposite in that he was conservative with his money and gave her \$20 every Thursday. One of her favorite hobbies was watching the Hallmark Channel from sun-up to sundown. Her favorite food was sausage and egg every morning. Before we left in the morning, she would say I love you. Pray before you enter the job. She would call her sister, Sue every night to remind her to take her medicine. She loved everybody and she had a smile that would light up a room. She wanted peace for everyone. One of the latest memories we shared was two weeks ago when our sister, Sue had cooked cabbage, rice, applesauce, and the best chicken ever. I, Undra, cooked the best cornbread I have ever cooked. It was so nice, and everyone was so happy that day I shall never forget!
