Benediction & Response

Meditation

*The love of Christ must be an abiding principle
in the heart, that will bear fruit in love and
tenderness and respect for one another. The
love of the truth, the doing of the words of
Christ, would soften and subdue our hearts.
The purity and goodness and love of the great
heart of Jesus must be reflected upon our
hearts and revealed in our characters, that
we may be partakers of the divine nature and
have tender compassion for each other.*
