## Pre-K & Kindergarten Mrs. Beth Kobliska

### Friends Theme

Our next book about friends is called *Winners Never Quit* and it's about soccer player Mia Hamm. The story tells how Mia learned, from friends and family, to keep trying and never give up on her goals. In Bible, we will learn how four great friends work together to help another friend in need. Our memory verse is: "Don't get tired of helping others". Galatians 6:9.

### Focus Concepts

Our letter of the week will be **Tt**, our number will be number **1** and our shape will be the **square**. Our color will be **yellow**.

### Snack Days

Thanks for remembering your snack days. Coming up for bringing snack next week are: Monday, Emma; Tuesday, Nic and Jed; Wednesday, Rhett; Thursday, Taraji.

### Music Class

Our students are making a lot of progress in music class. They've been learning about the difference between rhythm and beat and are preparing a special song to sing for you at our first music program. It will be on the evening of Thursday, October 25. Be sure to save this date!

## 1<sup>st</sup> & 2<sup>nd</sup> Grade Mrs. Kay Sutherland

Your Child's papers from the previous day are graded and put in his/her folder every morning. Looking at your child's work and talking to them about it regularly will help their learning.

### Reading Log's are due every Friday.

Does your child often see you reading the Bible, books, magazines, and newspapers? Talk about what you read. Your child will reflect what *you* value.

**Spelling words** on our test next Friday will be the words from Lesson 3: **First grade:** dog, God, on, off, got, not, mom, \*frog, \*box, \*odd. **Second grade:** been, begin, digit, give, into, its, kid, live, quit, sister, \*because, \*gym, \*until  
\* = CHALLENGE

WORDS that are worth 1 extra point if all three are spelled correctly on the Friday test.

## 3<sup>rd</sup> & 4<sup>th</sup> Grade Mrs. Eva Hill

☺ **Happy birthday, Ashiyana and Skyla!** Ashiyana's birthday was last Wednesday and Skyla's birthday is next Sunday. We're so happy to celebrate with these two delightful young ladies!

☺ **Study skills:** "We all like celebrating and getting rewards. Work with your family to set up rewards for meeting goals or getting homework done. Maybe you can... do a fun activity with your friends if you meet your reading goal." Clayton Koh

☺ **Iowa Assessments** will be given next week. Information about your child's academic achievement is needed to help them excel and succeed. These tests make

this possible by providing detailed information about your child in a variety of content areas. Plenty of sleep and a healthy breakfast each day are really important to help children do their very best on these tests.

☺ **MULTIPLICATION!** Practice can be done in so many ways. Writing the facts, using flashcards, drilling on a computer or pad, verbal practice with a parent or sibling, sidewalk chalk, worksheets, listening to multiplication CDs, YouTube... and more! The important thing is to practice a bit every day if possible.

☺ **Save the date:** Annual Vespers and hot dog roast at Mrs. Hill's house is coming up on October 26.

☺ **No treasure verse** quiz next week.

☺ **No spelling lesson** next week. New spelling word lists for lesson 7 through 11 are in the envelope this Friday. Lesson 7 will be studied during the week of October 1-5.
