***Until We Meet Again***

*Each morning when we awake  
we know that you are gone.  
And no one knows the heartache  
As we try to carry on.*

*Our hearts still ache with sadness  
and many tears still flow.  
What it meant to lose you,  
No one will ever know.*

*Our thoughts are always with you,  
your place no one can fill.  
In life we loved you dearly,  
In death we love you still.*

*There will always be a heartache,  
and often a silent tear,  
But always a precious memory  
Of the days when you were here.*

*If tears could make a staircase,  
And heartaches make a lane,  
We'd walk the path to heaven  
And bring you home again.*

*We hold you close within our hearts,  
And there you will remain,  
To walk with us throughout our lives  
Until we meet again.*
