

In Loving Memory

A Farmer's Wife

*This good woman when in this life,
She was kind mother and good wife,
And managed her household with care,
She and her husband a happy pair.*

*And her name it will long be praised,
By the family she raised.
She laid up treasures in the skies,
And now enjoys the Heavenly prize.*

*She rose each morn with happy smile,
And ardent all the day did toil,
For work to her had a charm,
And busy was each hand and arm.*
