

## I Am Free

Don't grieve for me, for now I'm free I'm following the path  
God laid for me. I took his hand when I heard him call I turned my  
back and left it all. I could not stay another day To laugh, to love, to  
work or play. Tasks undone must stay that way. I found that peace at  
close of day. If my parting has left a void Then fill it with remembered  
joy. A friendship shared, a laugh, a kiss, Ah yes, these things, I  
too, will miss. Be not burdened with times of sorrow I wish you  
the sunshine of tomorrow. My life's been full, I've savored  
much, Good friends, good times, a loved one's touch. Perhaps  
my time seemed all too brief, Don't lengthen it now with undue  
grief. Lift up your hearts and share with me God wanted me  
know: He set me free.
