EDUCATION NUGGET

Character Building "Let every child be taught that every mistake, every fault, every difficulty conquered, becomes a stepping stone to better and higher things. It is through such experiences that all who have made life worth the living have achieved SUCCESS. The great work of parents is character building- seeking to restore the image of Christ in their children...The formation of character is the work of a lifetime, and it is for eternity. If all could realize this, and would wake up to the fact that we are individually deciding our own destiny, ... what a change would take place." E.G. White, *Counsels to Parents, Teachers, Students*, pp 60,61
