

## Afterglow

I'd like the memory of me  
to be a happy one.  
I'd like to leave an afterglow of  
smiles when life is done.  
I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.  
I'd like the tears of those who  
grieve, to dry before the sun;  
Of happy memories that I leave  
when life is done.
