

Acknowledgement

The family of Darren Lee Jr. would like to thank each of you for your prayers, words of encouragement, the many acts of kindness and love shown to us during this difficult time in our lives. Please continue to keep us in your prayers and our prayer is that God will bless each of you.

Darren loved spending time with family. Visiting his father in California during the summertime. He had the greatest stories to tell when he came back home to Kansas City, Missouri for the school year. Darren played cards and dominoes with his grandparents and aunties. Sometimes even bet with nickels dimes and pennies for fun. He and his cousin Tramar would play Yugioh Cards on their off days would even sometimes trade for rare cards. Teaching his little son and small cousins how to play. He was a collector of baseball and baseball cards as well as DVDs and game systems. Darren would bring his speakers and stereo to act as a DJ and bring life of the party during family events and gatherings. He loved to see everyone smiling and having fun. Chasing his little cousins around, picking them up and trolling them around. Playing basketball and football outside in the front or backyard. Rapping with the older cousins in the living room. His favorite food was chicken Alfredo. His dream car was a 1967 Chevy Impala SS. Favorite color, blue black and gray. Wearing the colors to represent the Raiders. Darren's lifelong dream was to be a football player. Following in first steps of his father. Darren was not a big fan of camping boat rides or surprises.

Lastly the family of Darren Lee Jr. wish to express our heartfelt
