

Hello KZN. There's lots to tell again so get comfy in your armchair and enjoy our 17<sup>th</sup> edition.

The Chairman : Mr Sean Topper

KZN Schools Association

Dear Sean

Two important items which missed the last edition's deadline, were the names of the KZN U13 kids who made the SA side and a letter from our President congratulating all concerned with the interprovincials.

INTERPROVINCIALS 26-30 APRIL 2018

We at KZN Tennis Association would like to take this opportunity to heartily congratulate all the Interpro teams on their outstanding results. The 3<sup>rd</sup> and 4<sup>th</sup> positions of the U13 and U19's respectively was very pleasing to see and special kudos to the U15's who took first position.

KZN province has not won at Interpro's in a very long time and we extend our thanks to the schools association, coaches, managers and parents who played a huge role in this achievement.

Congratulations to all and we hope that our teams will continue to make KZN proud.

Yours in Tennis

LEONARD MORGAS

PRESIDENT KWAZULU-NATAL TENNIS ASSOCIATION

Kaitlyn Ramduth, Anna Wise and Guy Vorwerk made the U13 SA side. All three stars were invited to play in the USA end August and Anna has accepted, however Kaitlyn and Guy also made the finals of the AJTC (African Junior Team Championship) in Morocco and will attend there instead. Sjoe what talent we have in our province !
