## Pastor's Corner

Well, I hope you all had a wonderful Holiday season. This week I just want to keep you up to date on some things that are going on or will be going on.

First of all I am please to share that Jeff Carlson has accepted our invitation to be the new youth and young adult pastor for the South Church. Jeff brings a wealth of experience working as a pastor for Youth and Young Adults. He currently serves as the associate pastor at the Fletcher Seventh-day Adventist Church in North Carolina. He and his wife Whitney will be joining us sometime in February depending on how quickly they can get their housing situation done.

Secondly, I want everyone to know we have Wichita Convocation coming up in February. We are hosting Sabbath February 9. So we will be needing folks to help out with a variety of things from

Potluck to parking. I'll explain more tomorrow at Church.

Lastly, I want to let you know that for the months of February and March I will not be around. I am finishing my Army Chaplain training in South Carolina so that I can become officially qualified as a Army National Guard Chaplain. We've got speakers lined up and our new pastor coming so hopefully nothing will be too affected with my absence.

Tomorrow is communion sabbath. Hope to see you at Church!

Pastor Travis.
