

How long will be our grace period ?

*Only God himself knows but I know one thing,
each day He gives is precious to me -
the morning sun, green plants growing, the fall
harvest, the winter snows - as each year passes one
day at a time. As I grow older, I recognize my
frailties of the body, but I am also aware of the
strengthening of my soul and pray that God
would sustain me always till that day I too shall
pass from this wordly environment into His heav-
enly pastures and reunite with all my loved ones
who have gone on before.*

*Excerpt from John Lutz's book
"The Way It Was Down On The Farm"
Pg.198 "Oh, Mine Papa"*
