

## FOOTPRINTS

*One night a man had a dream.*

*He dreamed he was walking  
along the beach with the LORD.*

*Across the sky flashed scenes from his life.*

*For each scene, he noticed two sets of  
footprints in the sand;  
one belonged to him, and the other to the LORD.*

*When the last scene of life flashed before him,  
he looked back at the footprints in the sand.  
He noticed that many times along the path of his  
life there was only one set of footprints.  
He also noticed that it happened at the very  
lowest and saddest times in his life.*

*This really bothered him and he questioned  
the LORD about it. "LORD, you said that once  
I decided to follow you, you'd walk with me all the way.*

*But I have noticed that during the most  
troublesome times in my life, there is only one set  
of footprints. I don't understand why when I needed  
you the most, you would leave me."*

*The LORD replied, "My precious, precious, child,  
I love you and would never leave you.  
During your times of trial and suffering,  
when you see only one set of footprints,  
it was then that I carried you."*

On behalf of the families we serve, we thank you for the love and support you have shown them by your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for families to be reassured that people care about them.

There is great value in funeral service and your support.
