

“Don’t you remember that old story about the crane?” Chizuko asked.
“It’s supposed to live for a thousand years. If a sick person folds one thousand paper cranes, the gods will grant her wish and make her healthy again.” She handed the crane to Sadako.

“Here’s your first one.”

-Eleanor Coerr

Sadako and the Thousand Paper Cranes

Appreciation

On behalf of the family, we wish to express their heartfelt thanks and gratitude for your many kindnesses evidenced in thought and deed and for your attendance.

Condolences and thoughts may be expressed to the family at
