2024 NATIONAL CALENDAR GUIDELINES

1. **National Calendar:** Events on this calendar have been approved by Squash Australia and the relevant State/Territory Associations.
2. **Calendar updates:** Updates to this calendar will be made monthly as required. Squash Australia aims to keep the calendar as accurate as possible. Please note some events may change date/location or remain TBC. For the most up to date information visit: https://www.squashaus.com.au/competitions_and_events
3. **Event Type:** In 2024 event type is included on the calendar to ease the process of searching for relevant events. Event types are:
 - **PSA:** Professional Squash Association is the highest level of competition attracting professional players from across the nation and internationally. Events usually offer a men's and women's draw with prizemoney awarded according to placings. These events are often paired with a senior graded or junior event.
 - **AJST-** Australian Junior Squash Tour. These events are available across the country and allow junior players to earn ranking points towards a national ranking. Events can be age or ability based and may be boys/girls or mixed draws.
 - Bronze-** Beginner introductory to competitive level events open to all players. Unlimited number available to each state/territory.
 - Silver-** Competitive, usually 2-day event. Limit 4 per state/territory.
 - Gold-** Competitive state/territory championship events, usually 2–3-day events. Limit 1 per state/territory.
 - Platinum-** National events, Australian Junior Open & Australian Junior Championships. Oceania Championships included when hosted in Australia.

Rankings are updated monthly and for further information on the AJST ranking system visit: <https://www.squashaus.com.au/info-hub/policies>

- **Senior Graded:** Graded events are aimed at senior players and are usually based on ability with potential grades including Men's and Women's Premier, A, B, C, D grade etc. These events usually allow for juniors to enter the relevant ability grade as well.
 - **Doubles:** Doubles competition are events where teams of two compete against each other with all four players on the court. These events may be played on standard squash courts or on international doubles standard courts.
 - **Racquetball:** Competitions are conducted under racquetball rules with the bouncier ball and shorter racquets. These events are a mix of competitive and fun with options for men and women to participate. The events are available to junior and senior players depending on the event.
 - **Junior/Senior/Masters Teams:** Events are played in teams across different formats and generally cater to all genders and abilities. For representative team events relevant selection processes may apply. Please contact state/territory association for more details.
4. **Tournament Entry:** Events listed on this calendar will be available for entry through our online event system. Tournaments are registered the same as the tournament name on this calendar https://www.squashaus.com.au/competitions_and_events

The 2024 national calendar is a joint effort by Squash Australia and all State/Territory Associations to produce a cohesive and synced calendar of events.
