

TRI-CITY SDA SCHOOL NEWS

September 27, 2018

Field Trip

Monday we are going to Leaman's Green Apple Barn. We will be arriving there at 11:30 and having lunch then starting our tour at noon. Please pack a sack lunch that does not need microwaving and can be tossed when the student is done eating. The cost is \$6 per student. If your child is in grades K-1 please bring your child's booster seat to school October 1st. Please fill out the permission slip and return it to school.

Iowa Assessments

We have completed the last 2 tests today. The results of the Iowa Assessments will be shared at the January Student, Parent, and Teacher Conference.

Home and School

Thank you for providing breakfast for the students this week the students really enjoyed it. The next hot lunch is October 17.

School Pictures

School pictures will be happening on October 15, Michelle Corke will be taking the photos. Please make sure that your child is wearing something nice we will be using these photos in the yearbook.

School Dress

It is now the fall season which means the temperatures are getting a little colder. Please make sure that your child is not wearing shorts to school. Also, please make sure they have a hoodie or jacket for when we go outside at recess.

Bible Labs

If you know of a Bible lab (community service) type event or activity that the school could be a part of, please let me know. We are working to find different ways to involve the school in service.

Technology

This week with the launch of the new school website, we have also set up G Suite for education for the students in grades 5-8. They all have school email login which the school maintains and can set and reset the password. G Suite is part of Google which the students have access to it anywhere they have internet connection. Part of what we are using in the G Suite is google classroom. This is a platform where students can do assignments on the computer and turn them in online. It is also a place where I as a teacher can post important documents for the students. One of those documents is the spelling list. Another document for those in 6-8th grade will have is the math lesson that we do in class will be available to reference when working on their math assignments. If you would like to be connected with your child's google classroom, please let me know and I will invite you to the classes as they are created and developed.

Thank you for being a part of the Tri-City SDA School Family.
