

Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth - to every nation, tribe, language and people. He said in a loud voice, “Fear God and give him glory, because the hour of his judgment has come. Worship him who made the heavens, the earth, the sea and the springs of water.” A second angel followed and said, ““Fallen! Fallen is Babylon the Great,’ which made all the nations drink the maddening wine of her adulteries.” A third angel followed them and said in a loud voice: “If anyone worships the beast and its image and receives its mark on their forehead or on their hand, they, too, will drink the wine of God’s fury, which has been poured full strength into the cup of his wrath. They will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. And the smoke of their torment will rise for ever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name.” This calls for patient endurance on the part of the people of God who keep his commands and remain faithful to Jesus.

FROM BESS MCFARLAND'S FAMILY

Mom lived her life fully and without apology. She loved her kids and grandbabies. Mom's adventures were varied and gave her family brief moments of worry. She loved going on cruises and experiencing new things (camel rides in the Egyptian desert, river rafting on the Deschutes, snowmobiling, don sledding, bus tours and casino's). She photographed all of the covered bridges in Oregon and kept detailed notes of each one. She collected prodigiously and these collections are now living on in part; in her children's homes. She shared her thoughts without censure and loved giving relationship advice to her family and care givers. Bright colors, shiny

fabric, glitter and bright nail polish always caught her eye...and then there were the shoes! She loved shoes and purses. She leaves behind a void, a quietness that we are not sure how to fill.

We plan to celebrate our mother's life with a gathering at the Buck Horn Cemetery in Willamina, Oregon. This event will occur in the spring with plenty of notice for those who loved her to attend, tell stories and laugh with each other and us. We thank you for your caring and concern as we grieve her passing. We have never been more aware of the rich legacy of family than now. How very blessed we are to have each other.

Our love and gratitude to you all, Dennis, Janet, Julie & Ginger
