Principal's Message

A word from Mrs. Bryant

King Hezekiah has given me a little inspiration this week. He was the king in Jerusalem for 29 years (not sure that I have 29 years in me!) but he was a good, wise king because he **listened and sought out wisdom from wise people**. He didn't believe that he could figure things out on his own. His humility was one of the keys to his success.

As is the case in most weeks, I'm blessed to have a school board, pastors, teachers, and parents who share their wisdom with me! Whether we're talking snow days, the school constitution, or a temper tantrum in the hallway (yes, these happen:) thank you for sharing your wisdom with me.

We would do well to remember the process Hezekiah walked through and the example he set for us. We may not be kings, but we have problems and we can turn to each other for help.
