

## WELCOME

Welcome to Floral Crest School. We are so happy that the Lord has led you here to learn and grow with us. We have an exciting year planned just for you. The dedicated teachers at Floral Crest are looking forward to working with each student and helping them to become all that Jesus would want them to be. Each student has talents and abilities. When parents, teachers, and students work together with the Lord to become what He wants us to be then True education will be achieved. Welcome again.

Mrs. Wanda K. Beck, principal

## HISTORY

Floral Crest School began in 1905. The beauty of nature atop Sand Mountain surrounds the campus. Floral Crest School is a ministry of the Floral Crest Seventh-day Adventist church.

## AFFILIATION

Seventh-day Adventists operate the largest unified Protestant system of education in the world. Scattered among more than one hundred forty-five countries are 7,700 schools, 108 colleges and universities employing 87,000 professional educators with enrollment of 1,680,000 students worldwide. Floral Crest is part of a large worldwide organization of SDA Schools. Our local headquarters is in Montgomery, AL. The regional headquarters is in Decatur, GA. Policy books from the Southern Union Office of Education Code book are updated and kept in the school office for your perusal.

### **Partners For Eternity Program**

FCS in partnership with Southern Adventist University's PFE grant program, has opportunity to offer unique tuition

assistance to our students. Through this service-oriented scholarship program, our participating students are paired with elderly adults in our community in a mutually beneficial way.

Students in the PFE program, along with their parents, bring joy to the lives of senior citizens through fun activities such as visiting, reading, and playing games. When appropriate, they may also provide light housework. As the young people build generational bridges and learn the value of service, they also benefit from the wisdom and mentorship of the older adults. In the process, their time together helps finance the student's Christian education.

## MISSION STATEMENT

We are training students to:

THINK Clearly

ACT Responsibly

SERVE God and Our Community

## VISION

Changing Lives for Jesus

## PURPOSE

1. To ensure that the youth receive a balanced education: mental, physical, spiritual, social, and

vocational, with God as the Source of all values and truth.

2. To nurture dedication and loyalty to God.
3. To develop a practical preparation for service.
4. To produce respectful and responsible citizens.
5. To awaken a desire to reach God's ideals.
6. To provide an educational program which challenges students to academic excellence.

#### EPHESIANS 4:1

...I urge you to live a life worthy of the calling you have received.

#### PHILOSOPHY

We, the Board of Floral Crest School, recognize that God, Creator and Sustainer of the universe, is the Source of knowledge and wisdom. We believe that faith in Christ and developing a Christ-like character are important. We believe that the image of our Maker can be restored in man. The knowledge of this personal God can never be derived by human reason alone, but God has communicated His nature, purpose, and plans through Divine Revelation. The Holy Scriptures of the Old and New Testaments were given by inspiration of God and contain

a revelation of His will to man. They constitute the only unerring rule of faith and practice.

There is, peculiar to the Church, a body of knowledge, values, and ideals that must be transmitted to the younger generation. In this process the Biblical principle of social transmission is encouraged.

*Tell ye your children of it, and let your children tell their children and their children another generation. Such an education provides more than mental discipline; it provides more than physical training; it strengthens the character, so that truth and uprightness are not sacrificed to selfish desire or worldly ambition. It fortifies the mind against evil. Instead of some master passion becoming a power to destroy, every motive and desire is brought into conformity to the great principles of right. Education pg. 19.*

#### ADMISSION

**Any student who expresses the earnest desire for a Christian education is eligible to enroll in Floral Crest School.**

#### Non-Discrimination

It is the policy of the Seventh-day Adventist Church in all its church-operated schools, on elementary and secondary levels in the US, to admit students of any race, religion, sex, or national origin to all rights, privileges, programs, and activities generally accorded or made available to students in its schools and to make no discrimination in administration of educational policies, application for admission, or extra-curricular programs.

## **Beginning Age**

Research shows that students who begin school at age seven or above tend to advance with greater success than do students age six and under. Therefore, the faculty and Board of Floral Crest School strongly recommend that students not begin school until seven years of age. However, if parents choose, a student may enter the first grade if he/she is six years old by September 1 and is able to pass the Metropolitan Readiness Test, Level II, with an average or better score. Teachers will set up a test date and inform parents concerning schedule.

## **Acceptance**

All new students are required to go through an application process. First, they must have all registration paperwork completed. Secondly, the student and their parents or guardians must make an appointment and meet with the teacher and or principal for an interview. All new students are evaluated after a probationary period of thirty days. If deemed necessary, the Floral Crest School Board will review the student's progress at the end of that period. Students cannot be accepted who have outstanding (unpaid) accounts. All fees and tuition must be paid in full before students are allowed to enroll. The School Board makes the final recommendation for students to be accepted. Finally, a school transcript must be received from the school where the student attended previously.

## **REGISTRATION PROCEDURE**

## **Testing**

A home schooled student or any other student who wishes to enroll at Floral Crest School without presenting recent academic records for an accredited school will be required to take an entrance exam to determine grade placement. A certified teacher will administer a placement exam from Floral Crest School or an educational worker from Gulf States conference Office of Education before enrollment. There will be a nominal charge for the placement test. The school faculty will determine the grade level of the student in consultation with the Conference Superintendent of Education.

The parent will be contacted by a school board member, (treasurer, pastor, or chairman) if the school account is delinquent for more than 60 days. Arrangements will

need to be made to pay the bill or the student will not be allowed to return to class.

### **School Hours**

School begins at 8:00 am and dismisses at 3:00 pm Monday – Thursday and Friday dismissal is at 2:00 pm. These times are for the Central Time Zone or “Slow Time.”

### **Correct Time**

The clock in the entry way (controlled by the National Bureau of Standards) will be the official school time. Set your watches accordingly.

### **Time of Arrival**

Upon arrival at school, all students will wait in the hallway until teachers dismiss them to the classroom. Students should plan on arriving no earlier than fifteen minutes before school (7:45 am).

### **Close of the School Day**

Following dismissal, the teachers are involved in activities such as parent-teacher conferences, faculty meetings, lesson planning, maintenance, security, and grading papers. Therefore, drivers are expected to pick up their students at the front doors promptly at the close of the day. If you are not able to pick up your child from school, please leave the name of the person who will be pick-up your child.

### **School Accident Insurance**

Floral Crest School has accident insurance for each student. It covers the student while on the school grounds, while travelling directly to and from home for regular sessions and when participating in any school sponsored, supervised activity.

Accidents should be reported to the teacher immediately.

### **School Emergencies**

In case of any emergency, a school faculty member will contact parents when initiating a change in schedule. The first day of inclement weather Floral Crest School follows Jackson County, AL school closings.

If parents feel that conditions in their area are too hazardous to bring their students to school, the students will receive and excused absence, not to exceed three a year.

### **Health Hygiene**

Personal hygiene is necessary for a student's total well being. Important hygiene includes daily bathing, well-groomed hair, clean fingernails, brushed teeth, and a good breakfast. Each child should have between eight and ten hours of sleep nightly in order to do his/her best.

### **Breakfast**

Students who skip breakfast tend to experience a lack of concentration long before lunchtime. Please plan to eat breakfast before arriving to school.

### **Diet**

Since we believe and teach that our bodies are temples of God, we feel that each person is responsible to care for his/her body. **We require that all caffeine beverages and meats (including fish) be excluded from lunches.** We request that soft drinks not be sent to school. Juice or water is a better choice to help students learn. Reduce the amount of sugar snacks in lunches to enhance concentration. Students are not to share lunches, unless in case of emergency. Thank you for cooperating in this matter.

### **Media and Technology**

Much media and technology such as video games rob students of needed sleep and it dulls the sensitivity to moral, spiritual, and intellectual insight. Parents, please assist your child's total development by teaching proper use of media and technology.

### **Medication**

If your child requires medication for any reason, please send it to the teacher, labeled with student's name and instructions for assisting with self-administration. Neither teachers nor school personnel can legally dispense medication. No student is allowed to share his/her medication with anyone at any time.

### **Illness**

**Students are not to attend school with a fever of 100.5 F or more.** A student needs to be fever free for 24 hours before returning to school. Students are not to attend with pinkeye, however, may return 24 hours after first dose of antibiotics is taken.

### **Parent-Teacher Relationship**

**The success of the school depends in a large measure upon the fullest cooperation between parent and teacher. Should any question arise, please communicate promptly for resolution of the matter in the best interest of the student. The teachers welcome parent conferences but request an appointment be made so that full attention may be given the issues to be addressed.**

**In harmony with the scriptural admonition in Philippians 4:8 that states, "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever**

**things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.” Floral Crest School requests all parents, students and other family members to maintain a helpful, positive attitude and avoid harmful criticism, thereby exhibiting Christian cooperation. Compliance with this principle is necessary for the student to continue enrollment. Please do not post critical remarks on any social media.**

### **Procedure for Concerns**

The following guidelines are not only the Biblical way to deal with a problem, but are also the legal way to resolve an area of concern.
