Dear Parents,

Wow what a great week we have had! I'm sure all of you have heard, all about the chicks. It was great that some of you came to see them. The program coordinator said we did a great job! Mrs. K has put pictures on the website if you want to take a look.

Just a quick reminder about weather, mornings are quite chilly. We do make the kids keep their coats on. Then when they run around they want to take them off. It would help if you could send a light jacket they could wear if they get hot.

Please note when Thanksgiving Break starts. This way you can plan accordingly.
