Special Tributes

Loving Brother

We little knew that morning. God was to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, but you did not go alone. For part of us went with you the day God called you home. You left us beautiful memories, your love is still our guide, and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same. But as God calls us one by one, the chain will link again.

Love,

~ Your Siblings

Dear Uncle

God saw that you were getting tired, a cure was not to be. So He put His arms around you and whispered, "*Come with Me.*" With tearful eyes, we watched you suffer, and saw you fade away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands to rest. God broke our hearts to prove to us. He only takes "*The Best*".

Love,

~ Your Nieces and Nephews
