Reminder. When it's necessary to move items around, please remember to put everything back as it was. Whether it's tables, chairs, plants, dishes, etc., be courteous and return them to their original locations. Please don't expect someone else to "clean up" after you.

Feelings are unreliable. They frequently fluctuate with the weather, the news, our state of health. Our prayer life must rest on a more secure foundation than feelings. Prayer can so align our will with God's will that He can open channels through which to work that otherwise would be closed. So we need to pray more earnestly when we don't feel like it than when we do. *Sure As The Dawn*, 320
