

# family introductions

Parents introduce themselves and their children to the table, each including a funny aspect to break the ice.

(Each person needs to make the sound of their favourite farm animal)

# musical openseats

*AKA musical chairs...* Have the guests run around the table while music is playing. When it stops, everyone needs to find an open seat or they are disqualified. Every round, remove one or more seats. **The winner takes the final Open Seat!**

# family introductions

If food is the play medium, parents can collaborate with children to build a food house, **with prizes to be won** for the tallest, strangest, prettiest hosue (etc).

The meal host(s) will judge the food houses.

# ask my anything

Parents invite their children to ask them questions related to a meaningful or fun topic. Questions can be asked of older children too.

# conversation #1

"If you could have any superpower, what would it be and how would you use it?"

# conversation #2

"If you could be any animal for a day, which animal would you choose and why?"

# conversation #3

"If you could invent a new flavour of ice cream, what would it be called and what ingredients would it have?"

# conversation #4

"If you could create your own holiday, what would it be called and how would you celebrate it?"

## conversation #5

"If you could have a conversation with any character in a movie or book, who would it be and what would you talk about?"

## conversation #6

If you could have any job in the world, what would it be and why?"

## unseen guesses

You will need blindfolds and random items you have available (pencil, blocks, doll, book, cushion).  
*Scan code for instructions.*

## mission improbable

You will need LEGO bricks, wooden blocks or any other construction material.  
*Scan code for instructions.*

# traffic lights

You will need a set of red, amber and green objects. You can use LEGO Six Bricks, or something similar such as colourED cups, or bits of paper.

*Scan code for instructions.*

# skribbl.io

You will need guests with Smartphones. Create a Private Room, share the **invite link**, and get scribbling and guessing!

*Scan code for instructions.*
