**Daddy,**

I love you so much. I want you to know that I am proud of you. No matter what we've been through, I'm so glad to be your daughter, and proud of the man you were becoming. Our conversations had been the best, even when we were yelling. (lol) I'm glad to have seen you grow and be the God fearing man that you were. I have peace that you're home now and I'll never be alone again.

Love, Josie
