

**SCENIC BEACH STATE PARK
CHURCH CAMPING TRIP
JULY 23 - 26, 2018**

Prospect's Family Camp Trip will again be at beautiful Scenic Beach State Park, on Hood Canal. This is always an enjoyable event in a beautiful location with plenty of time for lying in the sun, conversation, exploring and just getting away from it all. We will be in the group campsite and, unlike other group camp areas, there are separate sites, which will accommodate either tents or RVs. We will not be coordinating meals or camping/cooking equipment so we all need to be "self contained" although we will eat together at least Tuesday evening. There are stoves with grills (for wood or charcoal), a pit toilet, a water source, and a shelter. Flush toilets and showers are a short walk away. Call Alice or Bill Van Pelt if you have further questions at (206) 324-9476.
