* Registered Players

* Registered Reserves

COMPETITION NOTES (Predominantly Reserving)

1. When a player forfeits mid-match, due to illness or injury, the score for the game in progress will be (the points achieved -21). Future games will be (0-21). See By-law 9(i)
2. Reserves can fill in for any team from any club subject to the By-laws.
3. All registered reserves are placed in their order of merit #1, #2 or #3 and must play in that order (see page 8).
4. During the minor round all current players and reserves can reserve for anyone with the same or higher order of merit. See By-law 8(c)
5. Two reserves per 3-person team may be used during any minor round match. One reserve per 3-person team may be used during the **major round**. See By-law 8(d)
6. When reserving in a higher grade a player's ranking will drop one position (C to B) and 4 positions (B to A) i.e. a B Grade player ranked 10 will be ranked 14 when reserving in A Grade. If playing in a lower grade the ranking will be raised one position (B to C) and 4 positions (A to B). By-Law 8(e)
7. In the minor round: a reserve may be ranked no more than two (2) positions higher than the player being replaced. If higher, the reserve must be within three (3) positions of the opponent. If coming from a higher grade the reserve must be equal or weaker than the player they are replacing. By-law 8(h)
8. An un-registered reserve may play with prior consent of the Registrar (to determine a ranking) and the opposing captain. By-law (8l)
9. If a reserve's ranking doesn't satisfy By-law 8(c) or 8(h) a rubber can still proceed, if both captains agree, subject to the reserve scoring a maximum of 42points and the opponent retaining their achieved score. By-law 8(j)
10. If two opposing teams are each unable to find a legal reserve, and both teams agree, a doubles game can be played for the third rubber.
11. During the minor rounds only, if a reserve is required on two separate courts, at the same centre and in the same grade, the matches can be combined with the scores counting on both courts. Both reserves must satisfy all other By-laws. By-law 8(f)
12. To be eligible to play in the **major round** a player must have played 4 matches, in 4 separate weeks, in the same or lower grade during the pennant season. By-law 17(e)
13. If a team needs to use a reserve for any match in the **major round**, it must be approved by the Registrar and the opposition is to be informed. See By-law 17(l)
14. For the **major round**, a reserve player must be equivalent or lesser rank then the player being replaced. By-law 8(g)
15. If a reserve is needed in the **major round** it is to be used to cover the missing player.
