## *I'm Free*

Don't Grieve for me, for now I am free.  
I'm following the path God laid for me.  
I took his hand when I heard him call  
I turned my back and left it all.  
I could not stay another day.  
To laugh, to love, to work or play.  
Tasks left undone must stay that way.  
I found my peace at dawn of day.  
If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh a kiss.  
Ah yes, these things I too will miss.  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full. I've savored much.  
Good friends, good times, a lived one's touch.  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief.  
Life up your heart and share with me  
God wanted me now:  
He set me free.
