**GRADUATION HELD  
AT MARY PERSONS  
TUESDAY NIGHT**

The 1933 graduation exercises held Tuesday evening in the Mary Persons High School were greatly enjoyed by a large audience. The program of music and oratory featured the talents of members of the graduating class, which numbered 22 and gave occasion for Monroe county to be proud of its young citizens.

A feature of the program was the awarding of a certificate of distinguished citizenship to E. W. Banks, beloved merchant of Fayette. The presentation address was delivered by William Collins, who drew in an eloquent speech with the outstanding record of Mr. Banks. Mr. Banks responded with sincere and moving words of appreciation.

The diplomas were delivered by E. G. Persons, Sr., chairman of the Monroe County Board of Education. He spoke wise and inspiring words to the young graduates prior to the delivery of the diplomas, thus closing one of the finest graduating exercises in the history of the school.
