International Medical and Dental Hypnotherapy Association®

Dear Cheryl,

The International Medical and Dental Hypnotherapy Association® is committed to delivering quality benefits and excellent service. Enclosed is your new membership card and certificate.

As a member in good standing, we particularly urge you to check to be sure your contact references are complete and accurate. If you need to amend any information, you may login to the online portal or call the corporate office at the number listed above. Certified members receive a free listing in our **Practitioner Referral Directory** linking the public with certified practitioners worldwide.

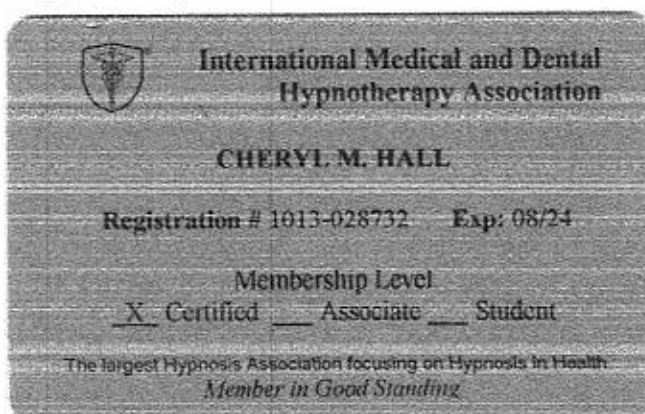

Remember to carry your card with you, as it exemplifies your professional affiliation. Your certificate and this card represent current membership status and ensure that your membership needs will be taken care of by our knowledgeable and experienced staff. We look forward to serving your membership needs throughout the year.

Membership has its advantages! For a complete listing of benefits and services available please visit the official website www.IMDHA.com

If you have questions, give us a call. We'll be happy to help.

Yours in service,

Robert F. Otto
President, Chief Executive Officer

International Medical & Dental Hypnotherapy Assoc.
