

August 21, 2020

Dear Parent/Guardian,

We are diligently working towards a safe and healthy re-entry for our student body this September. As we are adjusting and preparing for our new protocols and procedures, we are paring back on what we are providing to reduce the risk of transmission between students within our facility; within our control.

That being said, at this time, we are suspending our Out-of-School Care program. I know that many families rely on this service, so we are providing a list of local vendors who may help you meet this need. We also suggest speaking to families within your family cohort, in your neighbourhood, or at your church who may be able to help you meet this need.

As we get into the habit of the new procedures and protocols that are required of us, with student safety as a top priority, we will revisit the possibility of offering this service.

Thank you for your understanding in this matter. Please continue to cover the school in prayer as we prepare for your children this new school year. If you have any questions or concerns, please do not hesitate to contact us.

Blessings!

L. Muse
