Please check classification:

- Regular:** Student may participate in the regular program of physical education, recreation, intramurals, athletics, or related activities without undue risk of injury.
- Adapted:** Student has a condition which might risk sustaining injury from participation in the regular program or needs a special adapted program as indicated by the consulting physician. Reexamine each year.
- Exempt:** Student has a severe handicap which might risk sustaining injury from participation in the regular or adapted programs. These students should be reexamined for possible reclassification at the end of the exemption period.
