

## *In Loving Memory*

There is just something about it...  
The beautiful love a grandma gives.  
It reaches deep inside your soul  
And teaches you how to live.

You learn by watching her  
To work, to serve, to show how much you care,  
To laugh, to grow, to embrace each day  
And do your fair share.

She brings peace and calm and strength  
And amazing unconditional love.  
Without even trying  
She teaches of Him above.

It's the simple things that she holds dear,  
That's really all she needs...  
Hands in the dirt, sports, family, the canning kitchen  
And a really good book to read.

I don't know what I did to be hers,  
To be blessed to call her mine.  
But I am humbled and eternally grateful  
For all the women in this line.

She loves hard, she works hard,  
Her hugs can put you back together.  
She lets you share our tears and listens  
Without any judgment whatsoever.

Grandma, I cannot thank you enough for the love, the strength,  
The life lessons you have taught me,  
A friend, a mom, a rock, a guiding light,  
A woman like you - I'll forever strive to be.

With all my love,  
Kalli Kay
