

*Cambri Lynn Kurth* was born September 27, 2024 at 10:39am to Morgan Miller and Sam Kurth at Sanford Health in Bismarck, ND. Cambri's presence, grin, and light will be missed more than her parents have the words to describe.

After Cambri arrived on September 27th, a blessing was placed into her parents arms. Although Cambri's time with her family was too short, that's all the time her family needed to fall head over heels for her. Although she was left this world far too soon, she left a huge impact on our hearts.

Cambri is survived by her parents Morgan Miller and Sam Kurth; sister, Braylee Kurth; Grandparents Amanda Kimbel, Travis Mikkelson, Shane Miller, and Conrad Kurth; Aunts and Uncles Peyton (Danielle) Mikkelson, Ashton (Keisha Nelson) Mikkelson, and Braxton; Jessi Kurth, Shandy Kurth; and many cousins.

Cambri is preceded in death by Grandma Michelle Kurth, Great-grandparents Gayle and Bruce Olson.

## Littlest Angel

In the realm of angels,  
a littlest one takes flight,  
a baby girl's spirit,  
pure and shining bright.

Though your time with us was brief,  
our hearts are forever touched  
in the embrace of heaven,  
your innocence is clutched.
