Church Budget Update: Great news! In the last several months we have met and even surpassed our \$5,500 monthly Church Budget goal. Because of this we have paid back the negative balance in full that was in the Church Budget account and even have \$2,300 in reserve. Thank you for your generous financial support! Please continue with your faithful monthly giving. Remember that God's tithe does not fund our local Church Budget needs.

Educational Subsidy Needs: Some of our young people and their families need education subsidy so they can receive an SDA Christian academy education. This revised amount is in addition to our Inez Wrenn subsidy needs. Our 2017–18 school year need is now \$9,500 (\$950/month). To donate, write “Academy Worthy Student” on your tithe-offering envelope under the Local Church Budget section. Thanks for your help!
