Dear Mountain View Conference Members,

I am confident that during this time of crisis we are all praying individually but I think we need to go a step further and pray together. I spoke with our conference prayer coordinator, Elaine Buchanan, and we have decided to pray every evening at 7PM for the remainder of President Trump's "15 Days to Slow the Spread" initiative starting this evening, March 21.

We need to pray that God will intervene and bring this crisis situation under control so we stop losing lives and locking down states and cities. In the last 24 hours Italy lost almost 800 people to the coronavirus. We are not Italy but we need to pray that God will bring this virus under control in Italy, here in the United States, and around the world. In addition to the tragic loss of human lives, we need to pray that this situation will begin to turn around quickly so businesses can reopen and people can get back to work before we experience financial disaster. 2 Chronicles 7:14 comes to mind at a time like this when everything seems so uncertain, **"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."** (NKJV)

Please spread the word ASAP about this prayer conference call. Again, we will join together on the call every evening **beginning tonight, March 21, at 7PM** for the duration of the "15 Days to Slow the Spread" initiative introduced by President Trump. It is my understanding that this is day 6 of the initiative so if I am correct March 30 will be the 15th day.

Please know that we are praying for you,
