God Provides

Mission Spotlight

Thoughts From Today's Sermon

Through the testing of our faith, through the process by which it is perfected-- we may not have our prayers answered according to our expectations or even according to a promise. God doesn't always save us from the furnace, but He will always save us in it and through it. Whatever is our concept of God's love and power, it's not grand enough. What we will learn of Jesus in the furnace, and our fellowship with Him there, is greater than we ever thought possible otherwise. This is the lesson we want to take home to our hearts and minds this morning as we receive God's word.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!

Announcements

Communication Cards are in the pew rack. Please take a few moments to update your contact information and share prayer concerns, etc.

HEARTFELT THANK YOU to all who support Agape Café. Your involvement is greatly appreciated! This ministry flourishes because of our church family's generosity! Total Meals served: Dec – 131 Jan – 85
