# Until We Meet Again

We think about you always, we think about you still. You will never be forgotten, and you never will. We hold you close within our hearts, and there you will always remain. To walk and guide us through our lives, until we meet again.

***We love and miss you Momma, Mary, Madie, and Henry***

# Our Wonderful Grandmother

Of all the special gifts in life, however great or small, to have you as our Grandmother was the greatest gift of all. May the winds of love blow softly and whisper in your ear, “we love and miss you and wish you were here.” Deep in our hearts, your life is kept to love and cherish, not forget. No more tomorrows we can share, but yesterdays are always there. A silent thought, a secret tear keeps your memory ever near in our hearts forever. We love and miss you Granny.

***Love the Grands & Great Grandchildren***
