EirthPay™

Smarter payment acceptance and merchant services for global to local businesses.

Smart businesses want an e-commerce payments onramp that removes the complexity of multi-card issuer, multi-payment type, multi-procedure management. EirthPay delivers streamlined merchant solutions which means more time to sell more.

Single-source payment acceptance

EirthPay is your single platform to accept payments from practically every bank, merchant and partner in the United States. EirthPay provides a single point of access regardless of card issuers, payment types or procedures. EirthPay is the only payments platform you'll ever need.

Easy reporting and chargeback admin

EirthPay merchants enjoy remarkably simple activity reporting, accounting, underwriting reviews and approvals (including auto-underwriting), fraud and risk management and chargeback dispute and resolution. EirthPay empowers you to leverage your reporting for better business.

Customized Partner Programs for Maximized Revenue Streams

EirthPay provides automated processes to speed payments to your merchant account. With EirthPay's automated dynamic account verification, auto-underwriting settings, and dynamic transaction reporting, you can leave the payments acceptance back office to us and maximize your revenue stream.

Interchange Optimization

Around 90% of your payment acceptance fees go directly to card-issuing banks as "interchange fees". But when you choose EirthPay as your Interchange Management Specialty Processor, we help reduce these costs by aggressively and proactively managing interchange and pricing tables, so your clients have the best program and the partners see the maximized amount of revenue.

Omni Platform

Allows partners to board to mutable platforms from one source, for one price, with access to most high-tech process solutions including: Table Based, Web Based, POS systems, Terminal Solutions and Mobile Solutions.

Client Focused

We take a hands-on approach to customer service. We strive for less than 20 second average hold times, 95% issue resolution after first call and we hope to see a 90%+ Customer Retention rate.

Call Partners Welcome (ISO, ISV or FI)

EirthPay welcomes ISO, ISV and FI to establish master accounts, so you can help reduce the complexity of your clients' payment acceptance needs even further. EirthPay partners are empowered to give their clients' the simplest on-ramp to everything payments acceptance imaginable.

Customized Partner Programs

Choose from our Agent, Partner and Referral Programs or customize a program just for your needs. We maintain a successful track record of partnerships with banks and other financial institutions.
