# A Beautiful Life Story

Donald (Warnsley) Perkins was born October 23, 1958 along with his twin brother Ronald (Warnsley) Perkins in South Bend, IN to his proud parents David Warnsley Sr. and Mae Frances Perkins (whom both preceded him in death). In the summer of 1968, his family then relocated to Los Angeles, CA to what became his home and final resting place. Donald received Christ at an early age. Donald attended West Vernon Elementary School, 28th St Elementary School, John Adams Jr. High School and Jefferson High School. Donald was a very friendly but quiet, ambitious, determined, dependable, happy and loving person. He always had Millionaire Dreams and was very driven to live a life of luxury..if you knew him you know he was ALWAYS dressed to impress. In 1977 he and his high school sweetheart gave birth to their first child Kenesha. He then in 1981 joined her, Philistine Ball in holy matrimony. They then went on to have another child shortly after in 1983 who they named Donyette. Two years later they completed their family with another child Domonique. There began his Family. As many know Donald and Philis were known for their lavish parties and lifestyle. They were the life of the party. And enjoyed over 15 years together. Unfortunately the partying came to an end and Donald and Philis separated. Donald still went on to be a great father, son, brother, uncle, and friend. He was best known for his saying "dropping dimes on them". If you knew him you knew he would give his shirt off his back if you asked for it. Donald was a giving and loving man.

Donald truly loved his girls and his family. Donald was called to be with the Lord June 9, 2022 and leaves very precious memories to his 3 daughters Kenesha, Donyette, and Domonique, 3 grand children Nadjah, Christian, and Nevaeh all whom resides in CA, 6 siblings Vicky, Ricky, Ronald, Maurice, Miranda (Joesph) and Antoinette a host of nieces, nephews and extended family and friends. his life will live on forever through each and every one of us We ALL will miss him dearly.

Dear Daddy,

*It really hurts me 2 write this but I had 2 leave you with a piece of me. My heart cries out cause I really miss u. I truly do. I miss calling you & saying things like "You know its late, when are u coming home?", or "Daddy stop tripping, dont worry about that stuff!". I wish I could call u now & check on you just to hear your voice. I miss our conversations. I miss laughing, joking, and singing with u. I'll miss you riding with me & us listening to loud music, we always vibed out in the car. I'll miss ur good mornings & good nights. I'll miss ur, "I love you Donyette, give me a kiss!". Thinking about you Dad. If I had one wish. I would change all the pain & sorrow that you've experienced in this life. I would exchanged ur pain with more love, more laughter, more joy & unlimited happiness. I will always remember all the great times that we had. As I think back 2 my childhood memories. I remember u always taking us for late night drives to the beach to get on the swings and slides. I remember u always taking us 2 ur favorite ice cream shop where you grew up. I remember u always taking us to McDonald's cause McDonald's was your favorite place they feed you rattlesnakes french fries between your toes... You know the song lol. I remember your I-roc Z. You always let me drive as a teenager. I drove it so much. I almost thought it was mines. I remember anytime I called you to come pick us up. You always was there. I remember whenever you watched us. We was free to do whatever, cause you really wasn't watching us. I'll never forget the countless gifts and your acts of love. I'll never forget you daddy. You'll always be my angel. I'm grateful and blessed for the last 4 years we had together before you passed. In that time. Our bond grew stronger. I got to know you more. I Thank God for the blessing & opportunity to be there for you. I know now. God bestowed me with a gift & that's memories of all the time we spent together. I miss and love you Dad. Always.*

*Love your daughter, Donyette*

*Our Brother lives with us in memory every day before our eyes he grew weaker until God took him away. Our family chain is broken and nothing seems the same , but as God calls us one by one the chain will link again.*

*Love, Vicki*

*Beloved brother,*

*If tears could build a stairway, and memories a lane, I'd walk right up to heaven and bring you home again. You'll be forever in my heart.*

*Love you Brother from your Baby Sister,*

*Antoinette*

*I'm free, don't agree for me for now I'm free, I'm following the path God laid for me.  
I took his hand when I heard him call, I turned my back and left it all I cannot stay  
another day, to laugh to love, to work or play task left undone must stay that way, I've  
found that piece at the close of day if my party has left a void then fill it with memories  
and Joy A plan ship shared, a laugh, a kiss, yes these things I two will miss be not burden  
with times of sorrow, I wish for you the sunshine of tomorrow my life's been full I've  
savior much, good friends good times, my loved ones touch if my time seemed all too  
brief, don't lengthen it now with undue grief lift up your heart, rejoice with me, God  
wanted me now, he set me free*
