

## Discoveryland News

Happy New Everything to you and your family. I hope your holidays were wonderful and bright. And everyone stayed safe, yet were able to make memories with loved ones. I came back on January 4 and saw the happy faces of teachers and kids. Some brand new and others returning after the holiday break. And I thought to myself, what a wonderful place we have here. We are so blessed to have children who love school and parents who trust us to keep them safe, loved and educated. Wait till they get a bit older when going to school can be a challenge. We have very little to worry about at this age and learning to enjoy school and working with friends is why we are here. So welcome back, we are happy you are with us.

This Month we have many new faces starting in our center and many of us are also starting in new rooms. Oh how they grow up so quickly. The transition to a new room should not be too overwhelming because they already have some friends there and are familiar with the teachers. But still take a moment to remind them they are getting bigger and are going to be learning more things in their new room. There will be tears for a little bit, but be assured it is normal, even for our

regulars. Don't forget they had a couple weeks off and returning is an adjustment period. If you have any questions, please do not hesitate to ask me or the teachers.

We have a school closure on January 18 for Martin Luther King Jr. Day. Please remember to find alternate care for your child that day. I would also like to remind you that Discoveryland does not allow make up days for the holidays.

We will also be having a center wide open house on January 31 from 10 to 2. Our preschool will be opening its doors for a limited number to the public to come and see what our center has to offer. This is an important time for us to ensure enrollment for the fall. This year, it is extremely important for us to increase enrollment for the future of our school. The elementary will be conducting a Virtual open house at 1:00pm to perspective students. If you are interested in a wonderful private school, take a moment to visit the Foothill website. So please bring your friends and family to see our wonderful preschool and meet our dedicated teachers. If you are not comfortable coming in, we also have a FB page you can like and visit to see posts and pictures of fun and educational things happening at our center. Don't forget we also offer a referral credit to you for every child you help bring to our center. I hope to see you here.

Once again, Thank you for giving us the opportunity to be the place

your little ones come for guidance, love and care. Have a wonderful January.
