The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.), specifically the public ferryboats between Athens, Mykonos and Santorini in which you will need to handle your own luggage approximately 100 feet each way. In order to access the Acropolis archeological site, you will be required to climb about 30-40 uneven steps and walking over rugged terrain with loose stones and without railings. You can handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

*The "Ancient Delos: Apollo's Sacred Island" option must be purchased at least 10 days prior to departure.

**Island Hopping and Sunset Cruise option is subject to weather and sea conditions.
