THE LIFE CELEBRATION OF DEMENSE CELEBRATION OF CELEBRATION OF DEMENSE CELEBRATION OF DEMENSE CELEBRATION OF CELEBR

Demetreus James Beard was born on July 16, 1988 to Tamera Beard, his biological Mother; however, he was affectionately raised by his Mom, Peggy Durr. The name Avion came to life because Peggy already had 3 kids whose names begin with the Letter A and she wanted him to have an "A" name as well.

Avion attended public school in Las Vegas and graduated in 2006 from Adult Education High School where he received a diploma. After receiving his diploma Avion accepted a job working at Watch Shop. He soon decided that the entrepreneur's life was the way to go. That's how his clothing line Frozen Soulz came to life. It made perfect sense for him to want a clothing line because "Showtiime" was always dressed to impress. Avion spent his daytime as what he called "A Las Vegas House Dad", while he cared for his youngest son.

Avion was always fun to be around, he was the life of the party. You can always bet on the fact that he would crack a joke about something. Someone said if he could see us right now he'd pop out and say "Look at yall, yall sad huh?" lol. And to answer you, heck yea man we are!

Avion's loyalty was unmatched. He loved who loved him, no matter where you were from. He was truly a sincere, caring man that would do anything for you, even if it was his last. Avion enjoyed being a father to his sons. He would shop and play video games with his oldest and watch CocoMelon with his youngest. He enjoyed being around his family for the Holidays, he would be the last one to arrive but the first one to eat. In his free time he would play the PlayStation 5, go out with his friends, he knew how to enjoy life with a smile on his face. Avion, We are going to miss that smile and you!

Preceding him in death was his daughter Zhy'Yiere Beard, his father Howard Bass, maternal grandparents Jessie Williams and Johhny Hughes, paternal grandparents Ebb & Ollie Bass, his cousins Corey Bass, Kimarrio Hoye, Lonny Johnson and his niece Tremaine Sarah Beard. Avion leaves to cherish his memory his two sons Zah'Mauree Beard and Dhamir Beard. His loving girlfriend, Jasmine Ruiz, his two moms Peggy Durr and Tamera Beard, his sisters Jessica Beard, Andrea Fowler, Anecia Fowler, Tonya Banks-Sneed, Areial Walker, Kayteashia Washington, Tiffany Bass, Ebony Caldwell-Bass and Harlea "Stormy" Bass, his brothers Tremayne Beard, Antione Fowler, Rashad James and Isaiah Bass, his three nieces Delondra Durr, Deanna Resendiz and Rashawn Ariane Beard, his nephews Tremayne Beard Jr, Javon Smith, Delon Sparks, Zahaki Preston, Kiyan Moodie and Carter Scott, his three aunts April Washington (Eric) Stacie Allen April Heckard, his one uncle Danyell Williams (Regina), Bonus Daughter Tarajh Weatherspoon, his best friend since grade school Edward "CB" Carson, a special sister Dorsetta "Sparky" Winbush, a special brother Marquette Ross and a host of Aunts, Uncles, Cousins, other family, special nieces and nephews, close friends and homies.

From the time we woke up, til the time we went to sleep we created a whole little life. Our son's first words were "dad" you told me I turned you into a whole housewife who cooks and washes dishes because I barely wanted you outside. Imma miss you baby.

We are gonna miss you so much! Please come visit me.

- Jasmine Ruiz

Cousin, You were my first friend, my protector and so much more from infants to childhood. I will always cherish our memories.

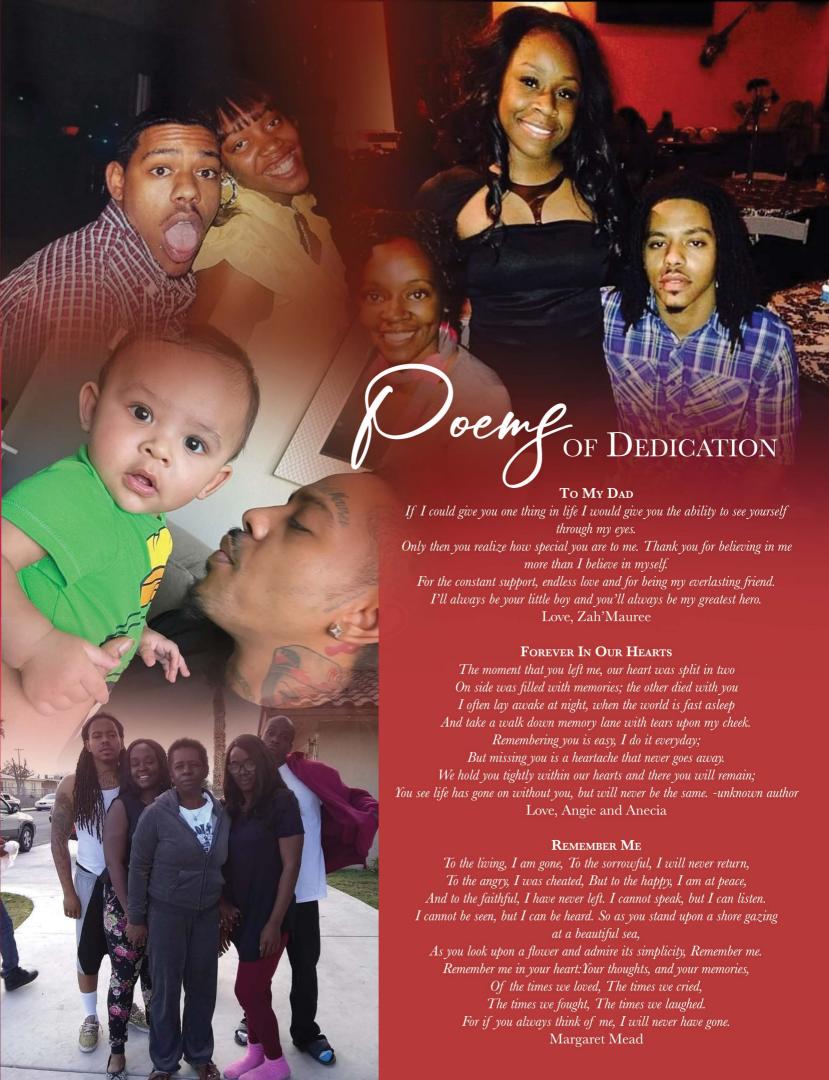

You were one of a kind. You will always be my favorite. I love you Avion & you will be truly missed - Che'Bryan

Twin, My heart is broken. We were alike in so many ways it's crazy. We used to say if only we weren't 2 years apart we'd be twins for real. I mean how dope would that have been lol. I am going to miss you, the jokes and your overall ability to just make everyone laugh. I love you in this life and the next. - Love Your Sister, Jessica

In a small family you're all you got. Cousin love is so close to sibling love. The bond and love we had for each other goes unmatched. No matter what you always had our backs. Your silly way impacted the world, can't believe you aren't gonna get on our nerves. As a big cousin you showed us all we needed to know to live to laugh but most of all taught us about friends, family and foe. Your time here was so brief that got us all still in disbelief. Living everyday seems impossible knowing you're not here because we were supposed to grow old together & talk our talks like the old heads do. We're gonna be strong and cherish the last 33 years with you Boo, Avion, Showtime just know we love you and will live through us forever.

-Candace, Camille & Shayla

Peace be unto you Avion, your journey here on earth has ceased, your assignment....complete. You blessed us with love and loyalty to family and I have been reminded through you and the lyrics of one of my favorite songs that "Life is just a moment" (Roy Ayers). Avion, you planted seeds on how to live, laugh, love and be your own self's, self. Now you've taken your rest, guide us through your spirit, to our higher selves. - TT April W.
