He was known for his patriotism and dedication to serving his country whenever needed.

Dennis was a devoted family man and a proud member of the Patriot Guard and Rolling Thunder, where he expressed his love for motorcycles and honored his fellow veterans with respect and admiration. Dennis was quite the handyman and had the ability to build and repair just about anything and did so with ease.

More than anything Dennis loved his family. He was a supportive and loving husband, nurturing father, and proud grandfather who will be dearly missed.

GOD BLESS THE U.S.A.

by Lee Greenwood

If tomorrow all the things were gone I'd worked for all my life
And I had to start again with just my children and my wife
I'd thank my lucky stars to be livin' here today
'Cause the flag still stands for freedom, and they can't take that away
And I'm proud to be an American where at least I know I'm free
And I won't forget the men who died, who gave that right to me
And I'd gladly stand up next to you and defend her still today
'Cause there ain't no doubt I love this land
God bless the USA
