**Do Not Stand
at my Grave & Weep**

*In Loving
Memory of...*

Do not stand at my grave and weep.

I am not there, I do not sleep.

I am a thousand winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the mornings hush,

*I am the swift, uplifting rush
of quiet birds in circled flight.*

I am the soft stars that shine at night.

Do not stand at my grave and cry.

I am not there, I did not die.
