Monday	Haystacks (like taco salad)
Tuesday	Stroganoff*
Wednesday	Spaghetti*
Thursdays	Pizza, salad and applesauce

*Meals include side vegetables

OCEAN STUDY

We have had a fun Shark and Fish week! We have learned a lot of interesting things about the animals and have practiced our letters and counting 1-5. We are developing our hand muscles by playing with Play Doh so that cutting with scissors will come easier. We used the song to the right to remind how to hold scissors. Practicing cutting a variety of materials at home would be extremely beneficial to your child for this year and in Kindergarten.

We had a pumpkin science investigation this morning. Ask your child about the paper that was sent home. 😊

CLASSROOM ITEMS

- We had so much fun visiting our next-door orchard and pumpkin patch on Tuesday! Thank you, parents, for being so quick to help me make it happen for your kids. If your family is interested in any more of a variety of sizes, shapes, and colors of pumpkins, please visit the Champions' roadside stand out by W. Lee Hwy (by the SVAE sign).
- If your child is purchasing hot lunch, please remember to still send a morning snack for that day.
- I have signed up for a parent communication app called Remind. Many of you have already joined our class through an invite sent to your phone number. If you have not signed up yet, please accept the invitation, or text @svaepk to the number 81010. Messages sent through the app will show up via third party phone number.

Keep your thumb up, keep
your thumb up
When you cut, when you cut.
We can cut with scissors, we
can cut with scissors.
Open and shut. Open and shut.
Sing to the tune of Frere
Jacques
