## *Obituary*

Donald E Williams, son of Jean A. Williams and Elmer E. Williams was born on December 2, 1954 in Pittsburgh, PA. He departed this life peacefully on Wednesday, December 8, 2021.

Donald was an entrepreneur who was dedicated to his family. For over 49 years, he worked in the construction and heavy highway industry. Donald graduated from Wilksburg High School and earned his degree in Business from Juniata College. When he began running his own businesses, he used the platform to reach out and teach the next generation.

Although he attended several churches throughout the years, Donald's heart remained grounded in the New Light Temple Baptist Church where both he and his parents served. Don "Pretty Papi" was best known for his passion, his tenacity, his love for his family, and his "turn up". Everyone who knew him cherished his spirit and found joy in his presence. His legacy is widespread and everlasting.

Donald is preceded in death by both of his parents and his sister Yvonne Williams. He leaves to cherish his memory his wife Angel D. Williams, brother Charles Williams, daughter, Brandy N. Weatherspoon, and granddaughter Jaden Weatherspoon. He is also survived by a host of nieces, nephews, extended family, colleagues and beloved friends.

We will miss Don's presence, infectious personality, and long speeches that gave us his "jewels of life". We will continue to "Jump a Generation" in his honor.

We all love you Don!
