Obituary

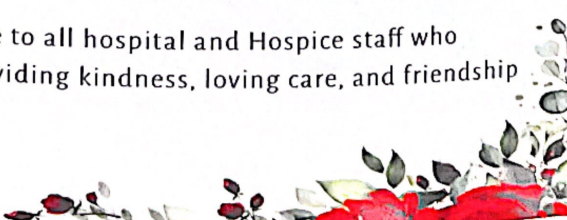

Mrs. Genevieve Hayes Archie, daughter of the late Wilbert and Aldonia Henry Hayes, was born December 8th, 1931, in New Iberia, LA. At an early age, she professed her faith in Jesus Christ as a member of the Mount Calvary Baptist Church until she moved to Houston, Texas.

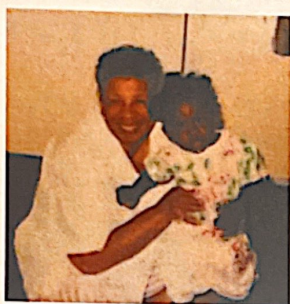

Genevieve attended beauty school and practiced as a beautician for years in Houston where she was also a devoted member of Bethany Missionary Baptist Church. She was also a faithful member of the JW Peavy Senior Center where she was an avid participant in the many activities offered there. In her spare time, Genevieve loved to crochet and bake her famous cakes and pies for family and friends who loved her dearly.

She departed this life on Monday December 20th, at home, surrounded by family. Her memory will forever be cherished by her family: sister, Evelyn Nation of Los Angeles, CA; children, Harold Hayes (Phebe) of New Iberia, LA and Dr. Darnella Wilkerson of Houston, TX; grandchildren, LaTreceia Hill of Houston, TX, Nathan Hayes of Houston, TX, Annie Washington of Houston, TX, Matthew Hayes (Danielle) of New Orleans, LA, and Claire Hayes Watson (Gary) of New Orleans, LA; great grandchildren, Cedrickia Hill of Houston, TX, Erin Jackson (Shawn) of Houston, TX, Doroessie Nelson (Fred) of Houston, TX, Anniya Washington of Houston, TX, Kembriah Parker of Houston, TX, and Jaidah Parker of Houston, TX; seven great-great grandchildren; a god daughter, Latasha Yarbrough; and a host of devoted nieces, nephews, in-laws, cousins, and friends.

She was preceded in death by her parents; husband, Meachum "Son Meachum" Archie Jr.; sisters, Veneda Hayes Hopkins and Rachel Hayes Lombard; and brothers, Earl Shirley Hayes and Perez "Perry" Hayes.

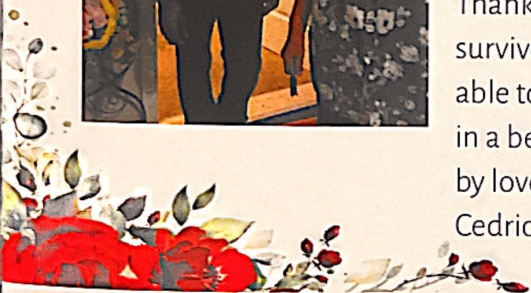

The family extends its gratitude to all hospital and Hospice staff who rendered care to Genevieve providing kindness, loving care, and friendship so freely in her final days.

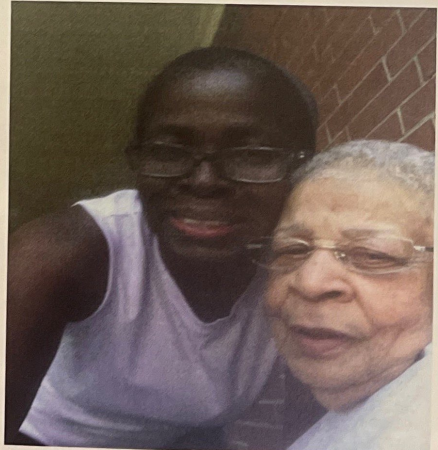

Dear GG,

Thank You for your wisdom, knowledge and helping me be the person I am today. I'm going to miss your talks, the outings, trips to the store, laughing at funny animal videos, you telling me about the good old days and growing up in New Iberia and your cooking. Thank you for being the Rock, the Light and at times the peace maker. Making sure we knew The Lord and doing what you could for us. Thank you for showing us how to be strong and survive through it all. I'm blessed to say I was able to know and grow with you. I know you're in a better place, no more pain and surrounded by love. I miss you and Love you!

Dear Genny,

Hello Grandmother; I just wanted to write you and tell you how much I love you and appreciate all that you've done for me!! I also want to apologize to you for not being by your side; because God knows there's no place I'd rather be right now than by your side!! You have no idea of how much of a change this is in my life because for all of my life you've been here. Not being able to see you or not being able to talk to you; I haven't a clue of how that feels!! People say that time changes everything, but this change is sure to take a piece of me away. But what a blessing you've been to me; and imagine how many people you've helped along the way. I love you and I will have to get along with my life the best way that I know how. It won't be easy but I'll make it because I got to take care of your great-great grandkids. What a long a blessed life you've had!! In my lifetime I can only hope to be half the person you are!! But in time everything will come together. I just want you to know that I love you with all my heart; this is not good bye as you know so I guess ~~we~~ I'll see you next Life-Time!!
I Love You!

Your Grandson,

P.S. I wish I was home Nathan
I love you!!

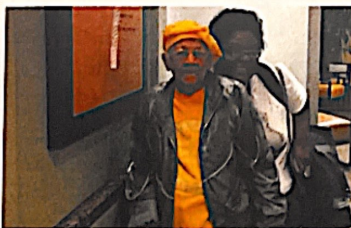

To My Favorite Lady,

You have traded mortality for immortality. There are no words to express the emptiness I feel inside. I know you are in a better place. I will miss our talks and our disagreements (smile). Heaven needed another cook. I promise I won't eat anybody else's sweet potato pie (smile). Thank you for leaving a blueprint of a Godly woman. You showed me how to watch, fight, and pray. Take your rest G. Watch over us up there. I will hold the memories of you in my heart.

Love,
Annie
