1. **OFFERING OF THE DAY:** is for Union: **Impact Pacific** The Impact Pacific Offering is an opportunity for us to cast our nets on the side of faith. The offerings are used to respond to opportunities for mission unique to the Pacific Union. The offerings are used exclusively within the local conference for mission opportunities in these three areas:

Native Peoples—*Projects that directly benefit ministries working with Native Americans and Native Hawaiians.* Mission in Context—*Projects that are anchored in responding to specific local needs, particularly Refugee and Immigrant Ministries.* Providential Opportunities—*Projects that are initiated because of an extraordinary opportunity for impacting the communities we serve that go beyond or outside of the scope of existing ministries.* May God bless us as we accept the call to be true disciples through our generous support of new ways to serve Him.
