

PreK-K Job Description - local hire

Advent Ridge Academy is looking for a Pre-Kinder/Kindergarten teacher to complete our team. Settled along the I-35 Corridor between Austin and San Antonio, San Marcos is a lovely gateway city to Texas' beautiful Hill Country. Less than a mile from our school is the booming campus of Texas State University, which has a culturally diverse student body of almost 40,000. San Marcos is served by a Seventh-day Adventist hospital and nursing home, and is part of a rapidly-growing region with ample community facilities, activities, and thriving businesses.

Our school shares a campus with our home church, the San Marcos SDA Church. The church has a supportive, full-time pastor, and dedicated congregation of servant-leaders. Our parents and local church members are strong supporters of Adventist Christian education. In 2013, Advent Ridge Academy moved into a facility built for growth of up to 110 students. We have modern, roomy classrooms, a commercial kitchen, a large gymnasium with locker rooms, and an outdoor playground. We offer grades PreK-10, with a mission to show children Jesus, nurture their love for Him and others, teach them to think, and empower them to serve.

Experience: The candidate must be a member of the Seventh-day Adventist Church in good and regular standing. B.S. degree and current NAD elementary education certification (qualified/experienced candidates who are working towards certification will be considered). Please note that this is a local-hire position that we would like to grow into a conference-hire position.

To apply, please email a copy of your resume and a letter of interest to suess@smaja.org. Please include at least three references with email addresses, including your current pastor. Note that interviews may occur before the final resume due date, so prompt submission of resumes is encouraged.
