MARANATHA PROJECT IN COEUR D'ALENE - JULY 29 - AUG 20 - Volunteers are urgently needed. This is your opportunity to be involved in a Maranatha Mission Trip project. You have an opportunity to do just that without

much expense. No project fees, just the cost of gas to get there. Maranatha is doing a building project in Coeur d'Alene, Idaho, July 29 - Aug. 20, 2019. The Lake City Academy is adding on to their campus by building 2 two story frame classroom buildings. If you have building talents, we need you! If it is close enough to your home you may choose to commute or lodging can be provided. You may say, "I can't spend that much time away from my job." That can be solved too. You can sign up for individual days or several days in a row. Choose what is convenient. Go to Maranatha Volunteers Int. click on Volunteers, then click on Lake City Academy (Idaho) project. View Project, download information pack, and register.

jumpersjumpers@gmail.com If you are not certain of what days you can help, it is possible for you to register on site; but having you register before hand helps us to plan for meals, and since you have checked your building skills, our Building Superintendent, Gerald Anderson, knows how best to utilize your skills.
